This is lovely house in Kranjska Gora situated in a forested residential area.

The house is a bright and open house built over three floors.

The Ground floor is open plan with a kitchen dining area with large windows overlooking the gardens and trees, connected to a living area with wood burning fire place. Lovely bright hallway and storage area, WC

The First floor is 3 bedrooms and a lovely bathroom with corner bath.

Balcony off master bedroom.

Lower ground floor consists of various rooms that could be used for living or fitness etc.

Lovely garden and surroundings, just a few minutes to Kranjska Gora centre and the ski slopes.
